Product Description:

The OX-ON Worker Comfort 2305 is an exceptional choice for such uses as agriculture, industry or metalworking, when a rugged and heat-resistant work glove is needed.

The back of the hand at Worker Comfort 2305 features split leather for protection from sparks and heat. The rest of the glove is made of cowhide, which is a strong and durable material. The OX-ON glove also has a gauntlet cuff, which protects the wrist while keeping the glove shape intact.

Worker Comfort 2305 is a highly durable glove that provides good protection in most work situations.
