Product Description:

The OX-ON NBR Comfort 8301 is an extremely durable glove for working in wet environments, e.g. masonry or wastewater, construction work, waste disposal, construction, tanker transportation or industry.

The glove is fully-dipped in heavy blue nitrile, which protects the skin and keeps fingers dry. It also ensures excellent grip when working with greasy and oily items. The NRB Comfort 8301 also features a 7 cm gauntlet cuff for extra protection on the wrist while still making it easy to put on and take off.
